TRAVEL

The best option for traveling to Badajoz is flying to Lisbon. Another option is to fly to Madrid and later to Badajoz, but the connections are not always very good and it is more expensive. From Lisbon to Badajoz the best option is renting a car (the motorway is good and not with a lot of traffic). You will have to pay a toll in Portugal close to the border with Spain (about 15€).

Another option is to come by bus. You can take the bus from Lisbon airport to Badajoz and the return ticket costs about 30€. This is the link of the bus company <https://www.alsa.com/en/web/bus/home> .
