What Is EdPuzzle?

EdPuzzle makes learning fun with videos. The teacher can design a customized video that meets the needs of its learners by editing the time of the video, adding audio notes, and providing questions for formative assessment. The best part is that the questions are graded for you and the teacher can monitor progress with ease!

How To Create An Account/Login

Go to www.Edpuzzle.com

The image shows the homepage of the Edpuzzle website. The background is a dark, textured image of a wooden surface. At the top left is the Edpuzzle logo, which consists of a colorful puzzle piece icon followed by the text "Edpuzzle". At the top right are links for "FAQ", "Sign up" (with a puzzle piece icon), and "Login" (with a puzzle piece icon). The main content area features the text "Make any video your lesson" in large white font, followed by "Make it work for your unique classroom" in a smaller white font. To the right of this text is a white play button icon inside a circle, with the text "Play demo" below it. Further right is a blue button that says "Teachers, start now!" with "It's free!" in smaller text below it. Below the blue button is a grey button that says "I'm a new student".

Audio Note Explained

Audio Note –

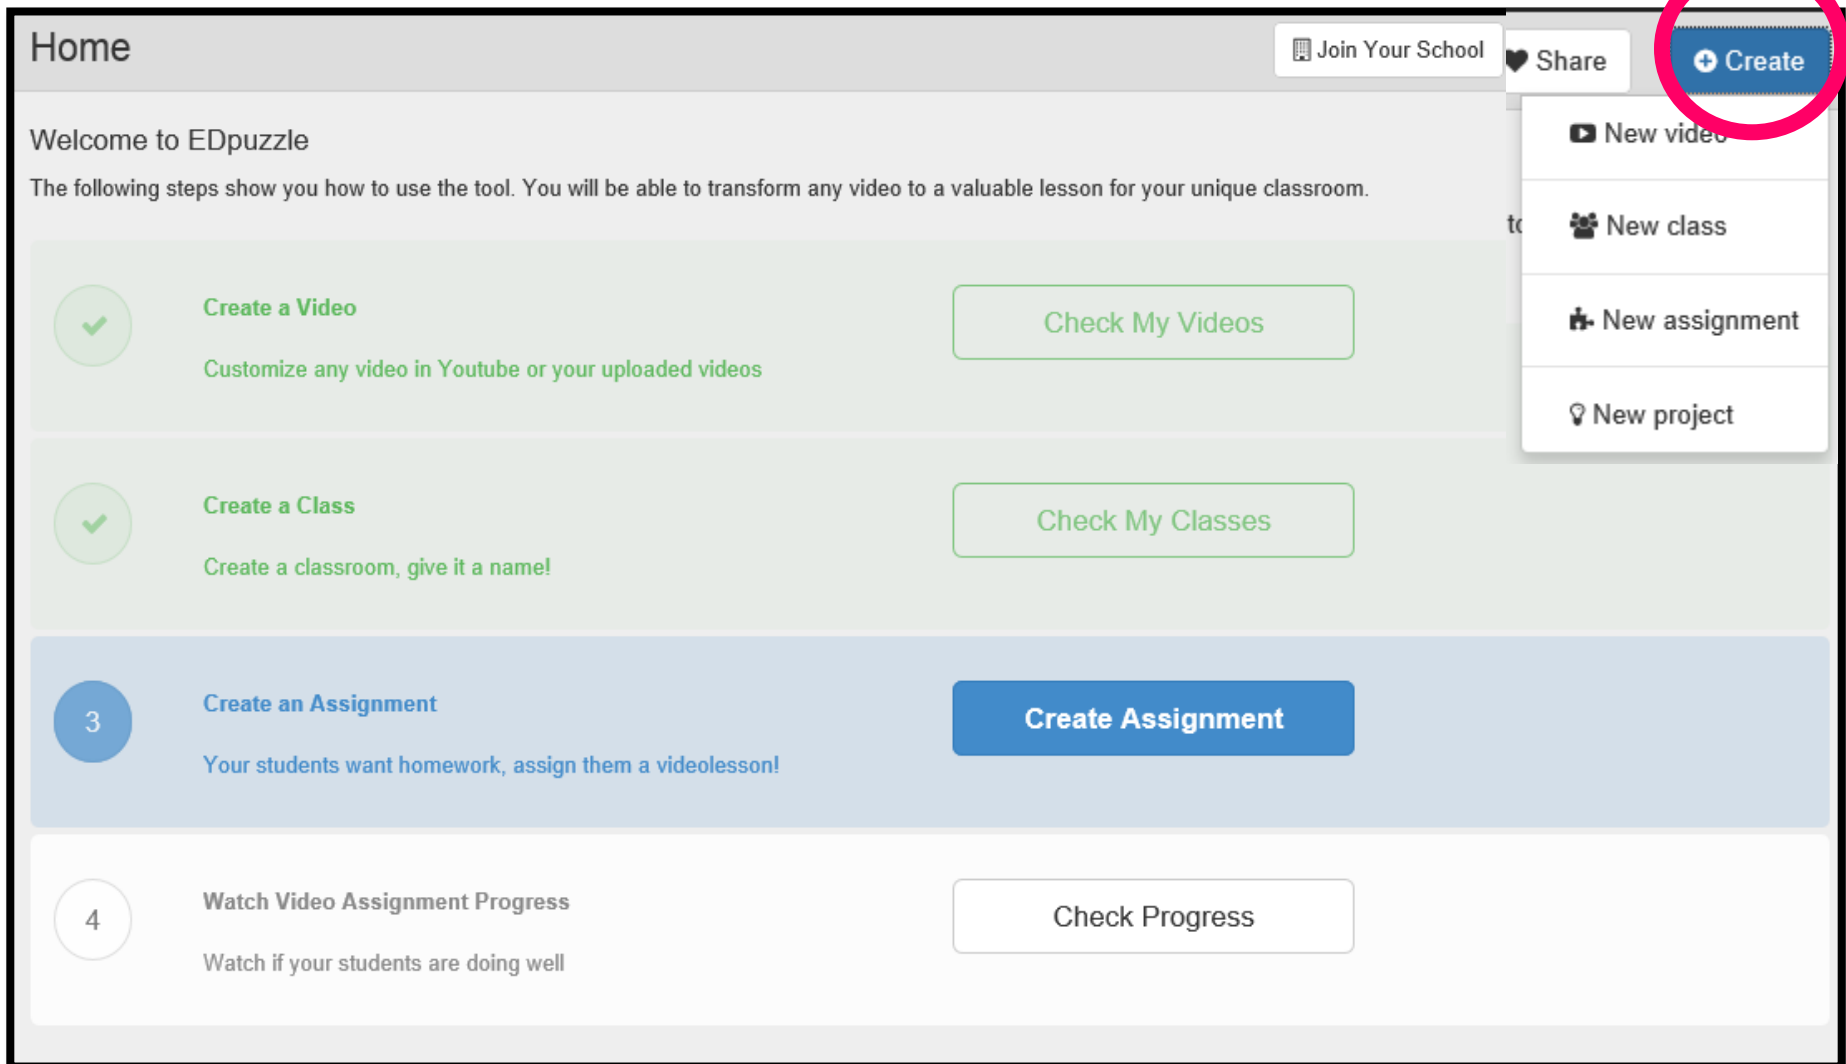

Allows use of your computer microphone to add personal notes, comments, etc. throughout the video. If you want to clarify, add food for thought, provide an introduction/summary, an audio note is very useful and easy-to-use. This button is great to create personal customization of any video to meet your needs.

How To Create An Audio Note:

<https://www.youtube.com/watch?v=UULrG0VCI2M> (35 secs)

<http://www.youtube.com/watch?v=tzotjrWX5qo> (49 secs)

Click on “Create”

The screenshot shows the EDpuzzle Home interface. At the top right, there is a navigation bar with buttons for 'Join Your School', 'Share', and 'Create'. The 'Create' button is highlighted with a red circle. Below the navigation bar, the main content area is titled 'Welcome to EDpuzzle' and includes a welcome message. The main content area is divided into four sections, each with a numbered circle on the left and a button on the right. The third section, 'Create an Assignment', is highlighted in blue and features a blue 'Create Assignment' button. The fourth section, 'Watch Video Assignment Progress', features a white 'Check Progress' button. A dropdown menu is visible on the right side of the 'Create' button, listing options: 'New video', 'New class', 'New assignment', and 'New project'.

Locate Video Of Choice Several Ways

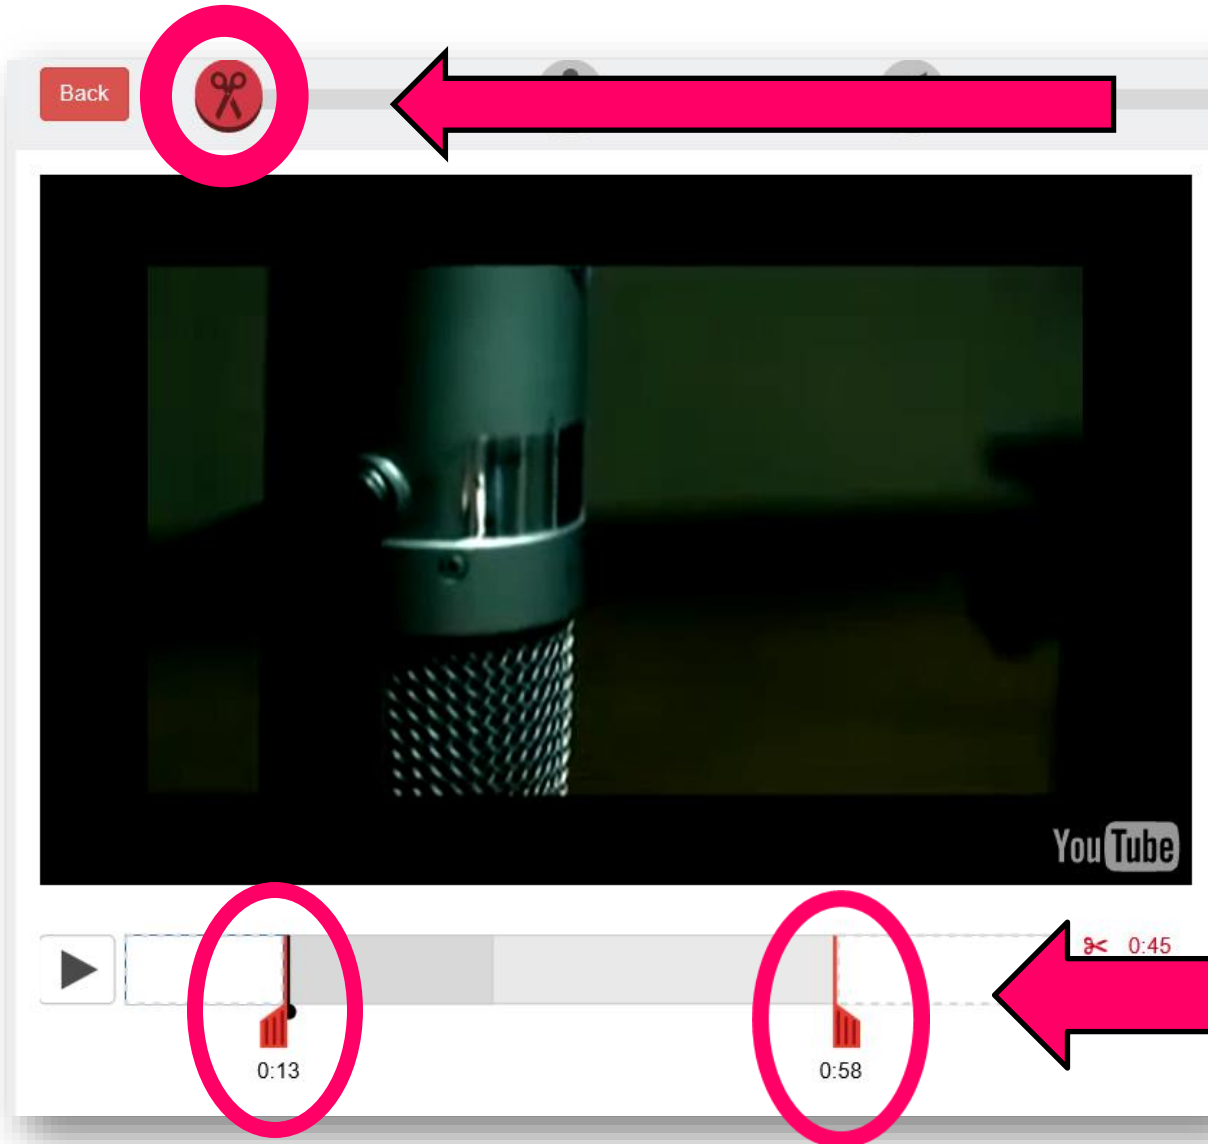

Copy and paste URL here.

Or directly click on
one of these
to locate video
of choice.

Video will now be placed here.

How To Crop The Length of Video

**Click on the
“Crop” button**

See Tutorial For Extra Help:

<https://www.youtube.com/watch?v=5OYH83NiZGA>

**Slide the left red
marker to the
desired time and
repeat for the right
marker.**

How To Insert Questions

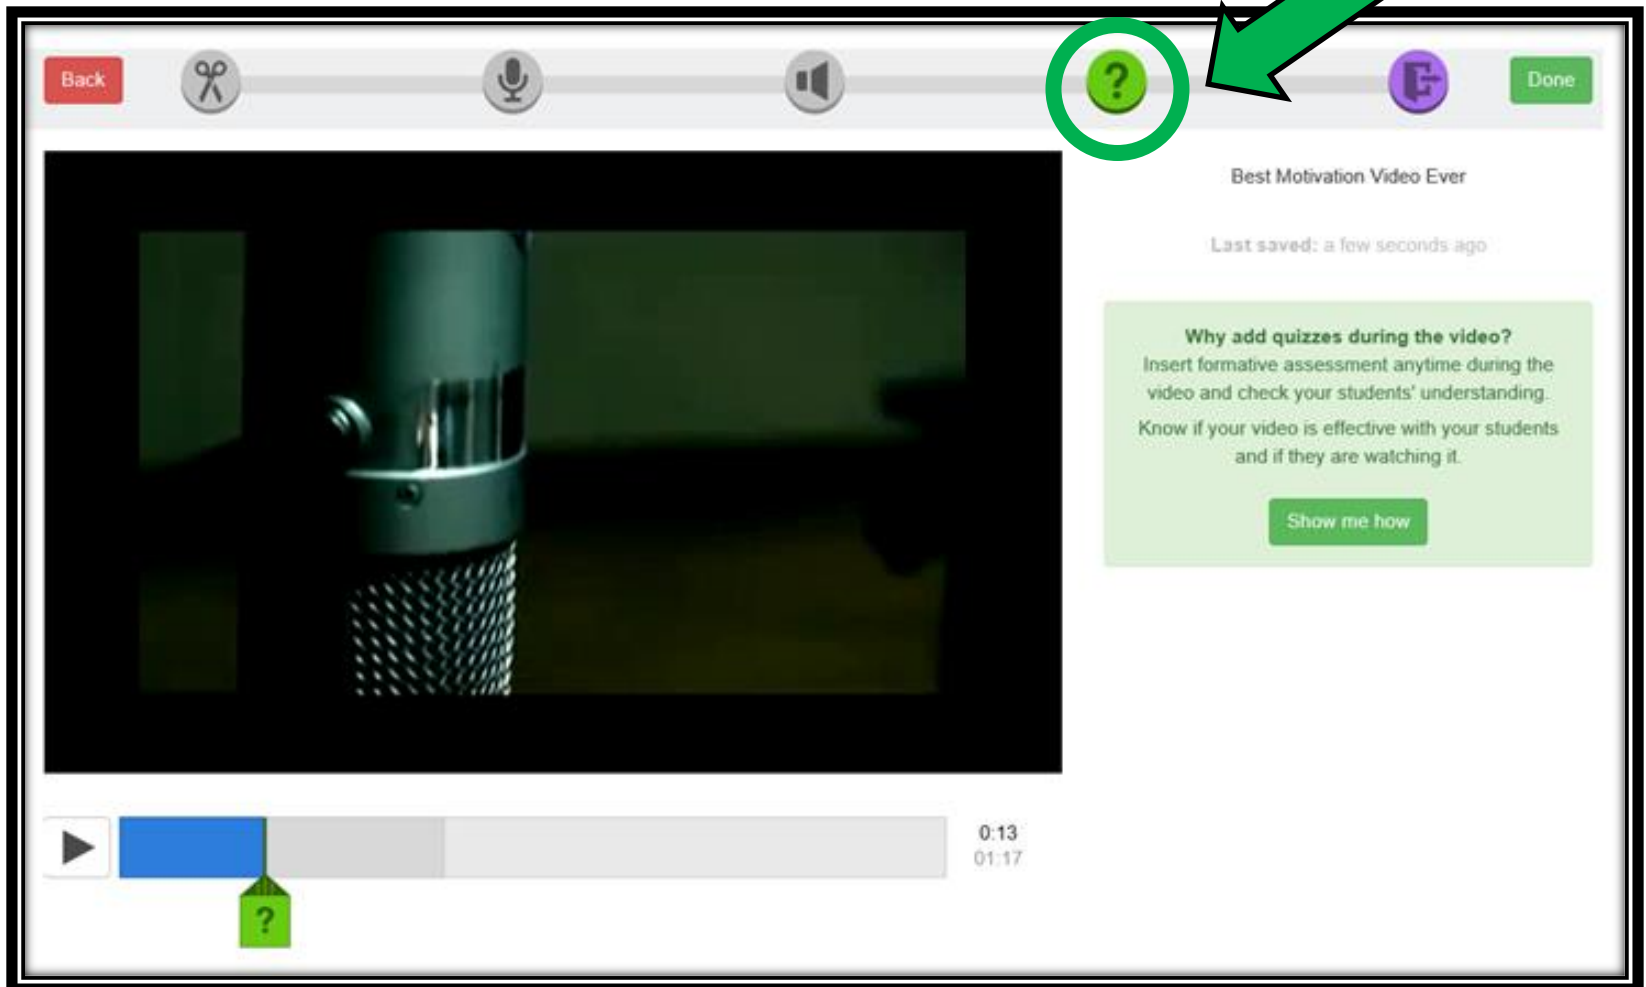

Why add quizzes during the video?

Insert formative assessment anytime during the video and check your students' understanding.

Know if your video is effective with your students and if they are watching it.

How To Insert Questions

Step 1: Click on “Questions”

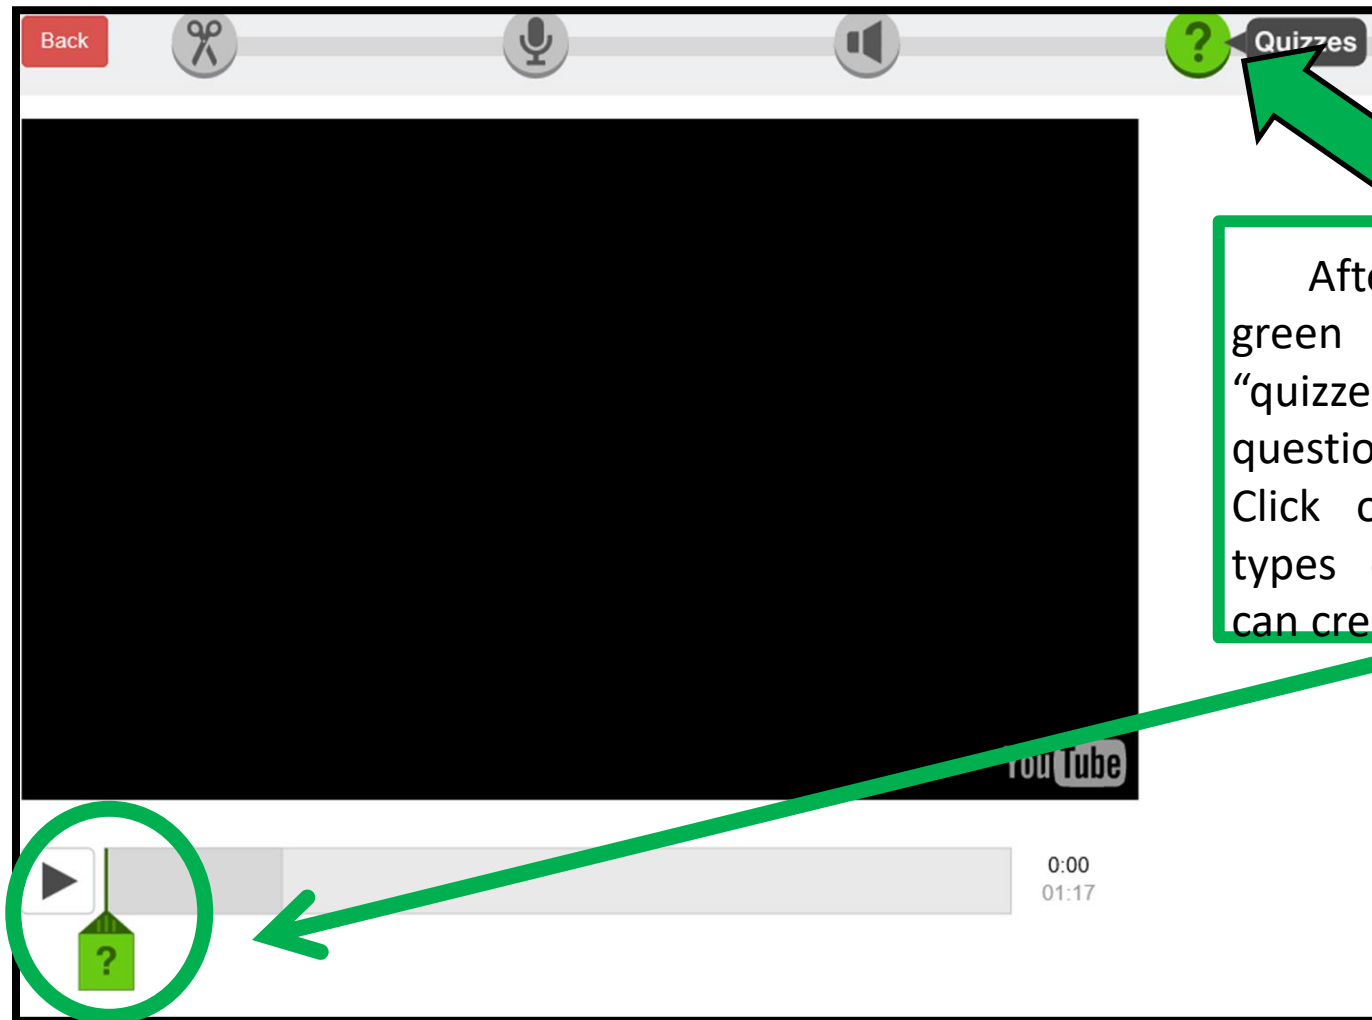

Things To Consider When Writing A Test Question

The answers will be placed out of order, so changing how you write a question is important. Here are some suggestions:

- Use none of these/all of these verse none of the above/all of the above
- Eliminate choices such as B+C as it will change with every user
- Make sure the length of the response in each choice has similar length

How To Insert Questions

Step 2: Click on “Green Question Tab”

After clicking on green button called “quizzes”, a new green question tab will appear. Click on tab to locate types of questions you can create.

How To Insert Questions

Step 3: Select the type of question.

The screenshot shows a web-based question editor. At the top, there are three tabs: 'Open', 'Test', and 'Comment'. The 'Test' tab is selected and highlighted in green. Below the tabs, the text 'Add your test question below' is displayed. A question number '1.' is followed by a text input field with a rich text editor toolbar above it. The toolbar includes buttons for bold (B), italic (I), underline (U), subscript (x₂), superscript (x²), link, image, and formula (fx). To the left of the answer input fields is a vertical column of four icons: a green checkmark, a grey 'X', a grey checkmark, and a red 'X'. The first icon (green checkmark) is highlighted with a green box. Below the input fields is a button labeled '+ Add answer', which is also highlighted with a green box. At the bottom, there are two buttons: 'Done' and 'Add next item'.

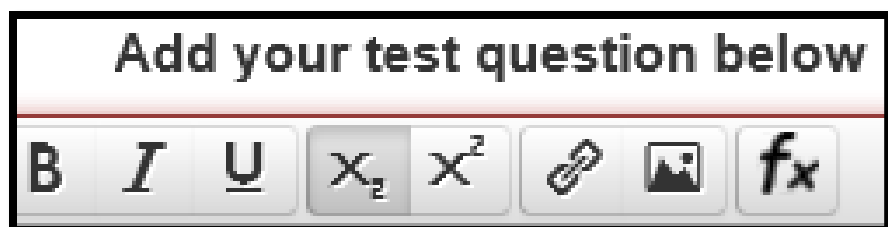

3 Options:

Open-Ended Response
Test (M/C or T/F)
Comment

Select the correct response so
assessment can be graded.

If you need more answer
choices, click on "Add answer."

x^a	$\frac{a}{b}$	$\int$	$\cap$	Σ	Π	$()$	$\parallel$	α	β	γ	δ	Γ	Δ	$<$	$>$	$=$	$\dots$	$[\dots]$	$\binom{n}{r}$	$\mapsto$	$n \rightarrow$
ϵ	ε	ζ	η	θ	Λ	$\leq$	$\geq$	$\doteq$	$\dots$	$[\dots]$	$\binom{n}{r}$	$\leftarrow$	$\rightarrow$								

How To Insert Questions

Step 4: Type in question & select correct response.

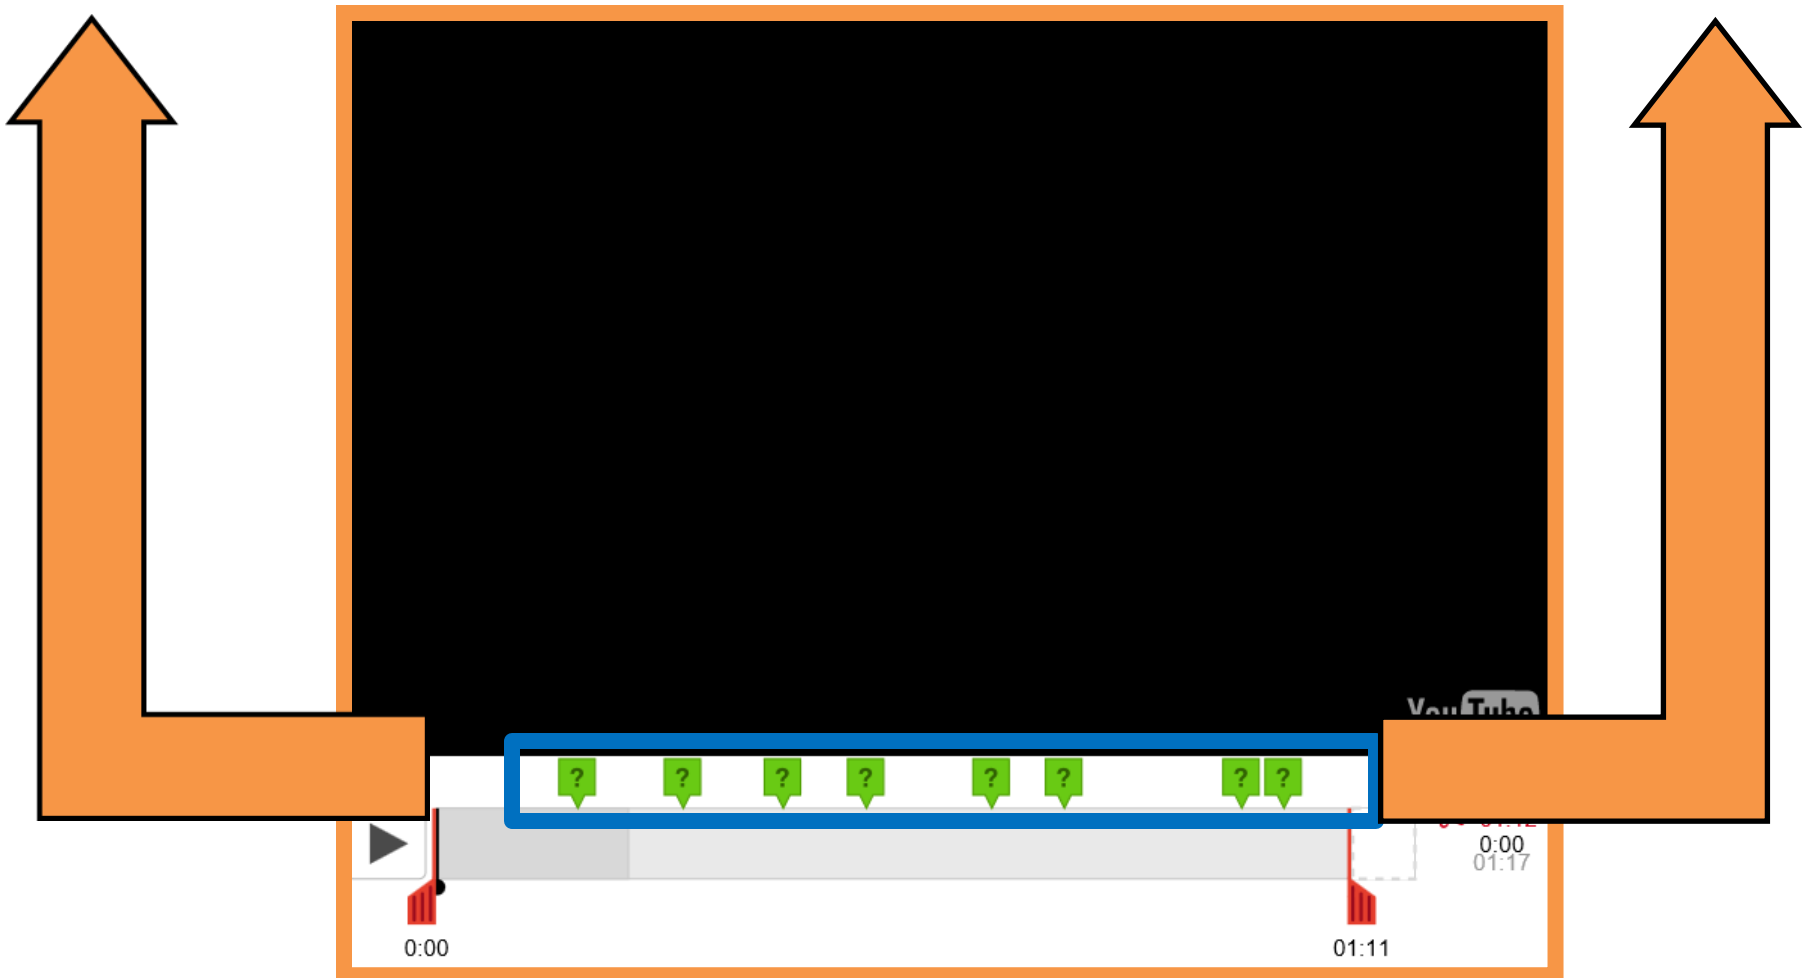

The screenshot shows a video player with a dark scene of a stage. A large, semi-transparent text overlay reads "turned down". Below the video is a progress bar with a green play button icon and a question mark icon. A yellow arrow points from the question mark icon to the test overlay.

The test overlay is a white box with a green border. It has three tabs: "Open", "Test", and "Comment". The "Test" tab is selected. Inside the "Test" tab, there is a section titled "Add your test question below". Below this title, there is a question: "1. What field did Lucille Ball want to enter?". To the right of the question, there is a green box with the text "Enter question here." and a green arrow pointing to the question field.

Below the question field, there is a list of possible answers: "Music" and "Drama". To the left of the list, there is a vertical column of icons: a red "x" for "Music" and a green checkmark for "Drama". A yellow box highlights this column. To the right of the list, there is a blue box with the text "Enter possible answer choices here." and a blue arrow pointing to the list.

Select correct response. Red "x" is wrong and green check mark is correct.

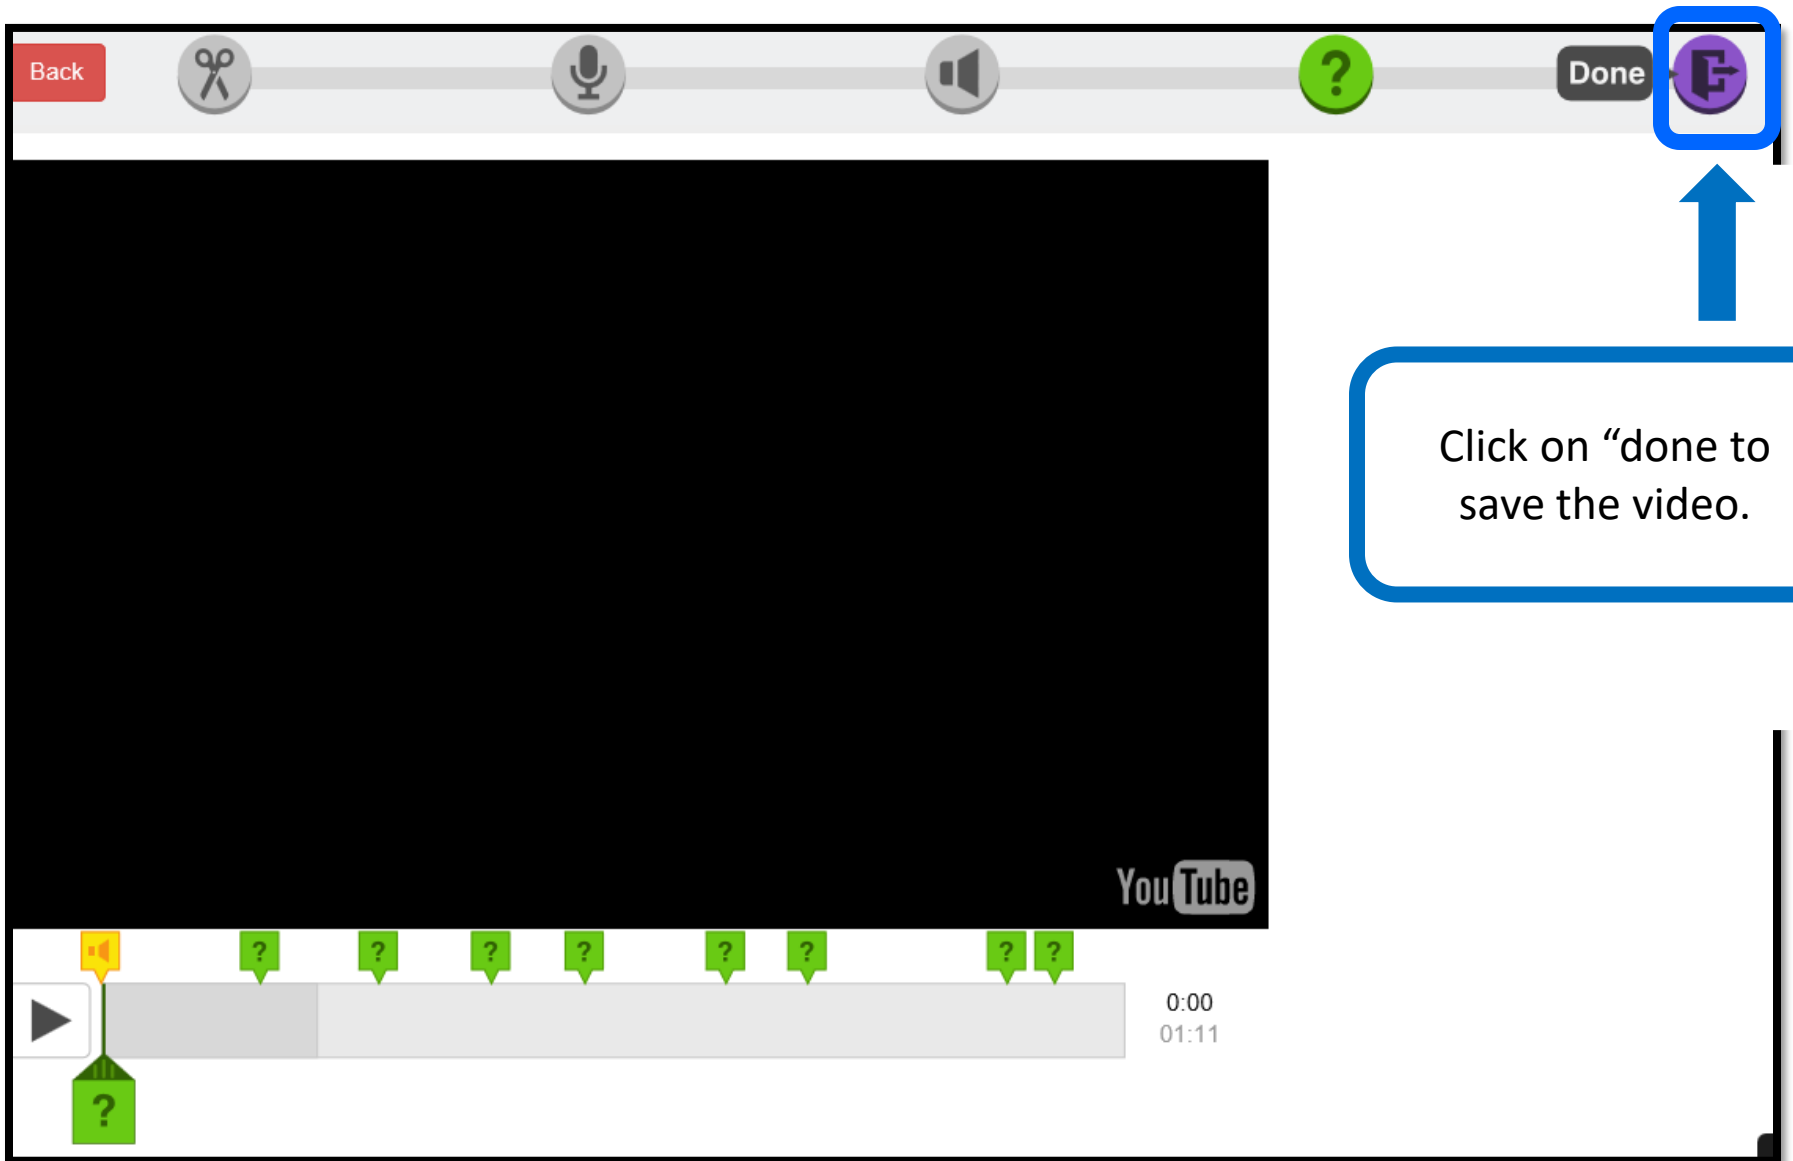

All of these question marks suggest questions you will ask the learner throughout the video.

How To Save The Video

Click on “Done”

Complete the fields.

The image shows a form titled "Information Summary" with the following fields and instructions:

- Title:** The field contains the text "Best Motivation Video Ever (10 questions)". An orange arrow points from this field to a yellow instruction box: "Be sure to create a title that is easy to recall at a later time."
- Language:** The field contains the text "English". A green arrow points from this field to a green dropdown menu icon (a circle with a checkmark).
- Tags:** The field contains the tag "motivation" with a close button (x). A blue arrow points from this field to a blue instruction box: "Tag for others to use or easier access at a later time."
- Buttons:** At the bottom left is a red "Cancel" button. At the bottom right is a green "Save & Exit" button, which is circled in red. A red arrow points from the "Cancel" button area towards the "Save & Exit" button.

How To Save

(Part 2- Optional)

Assignment Creation

Step 1: Select the class(es) to assign the video lesson

 Add a new class

Step 2: Set your assignment configuration

☒ Prevent skipping

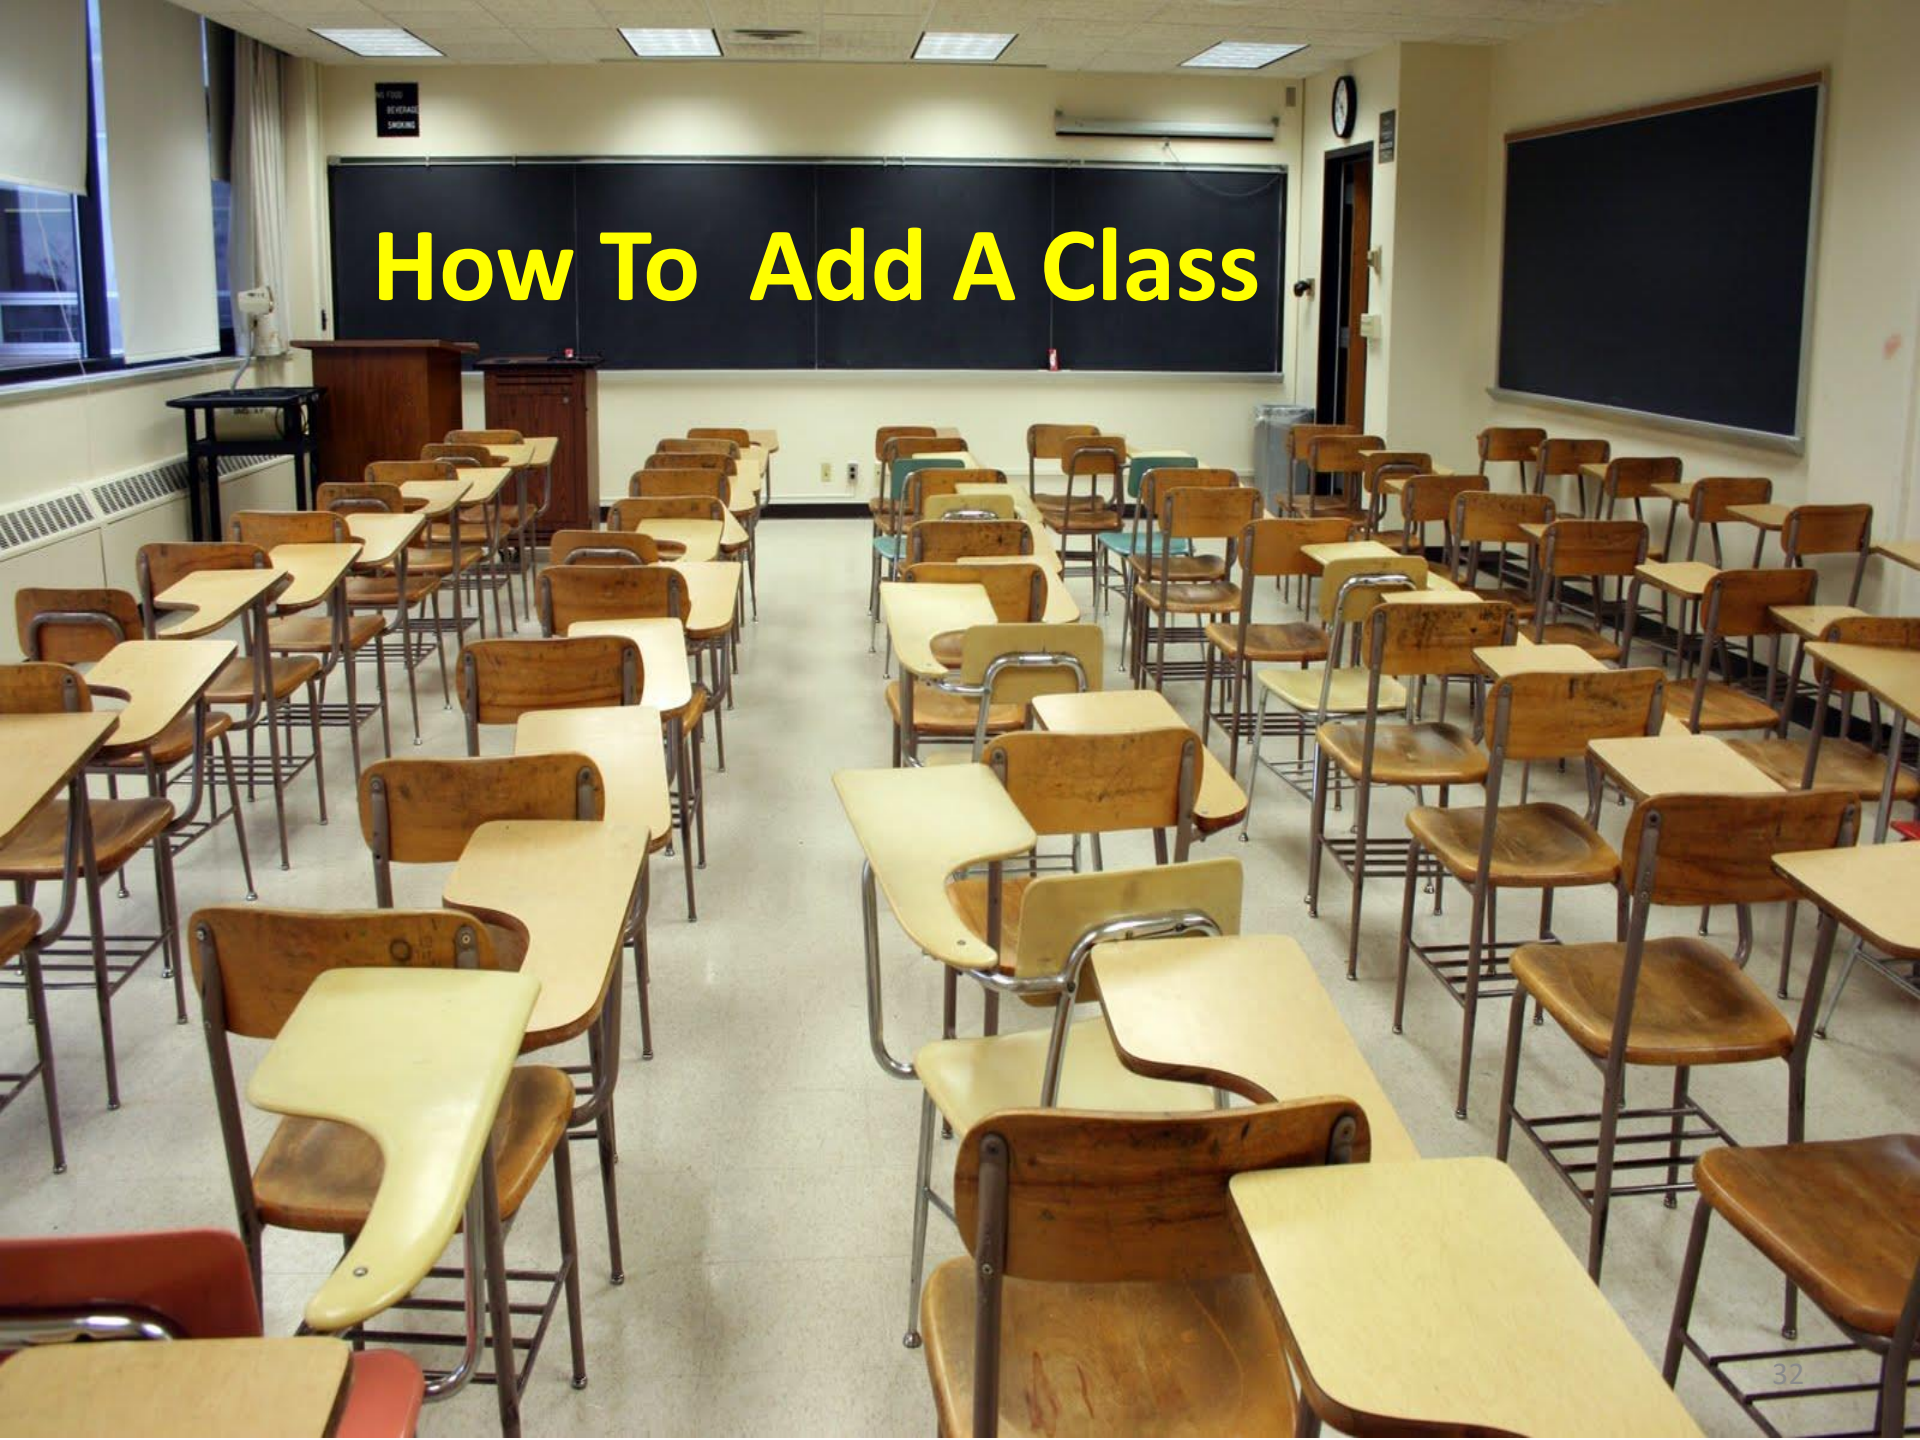

☐ Due date (coming soon) 

No, thanks

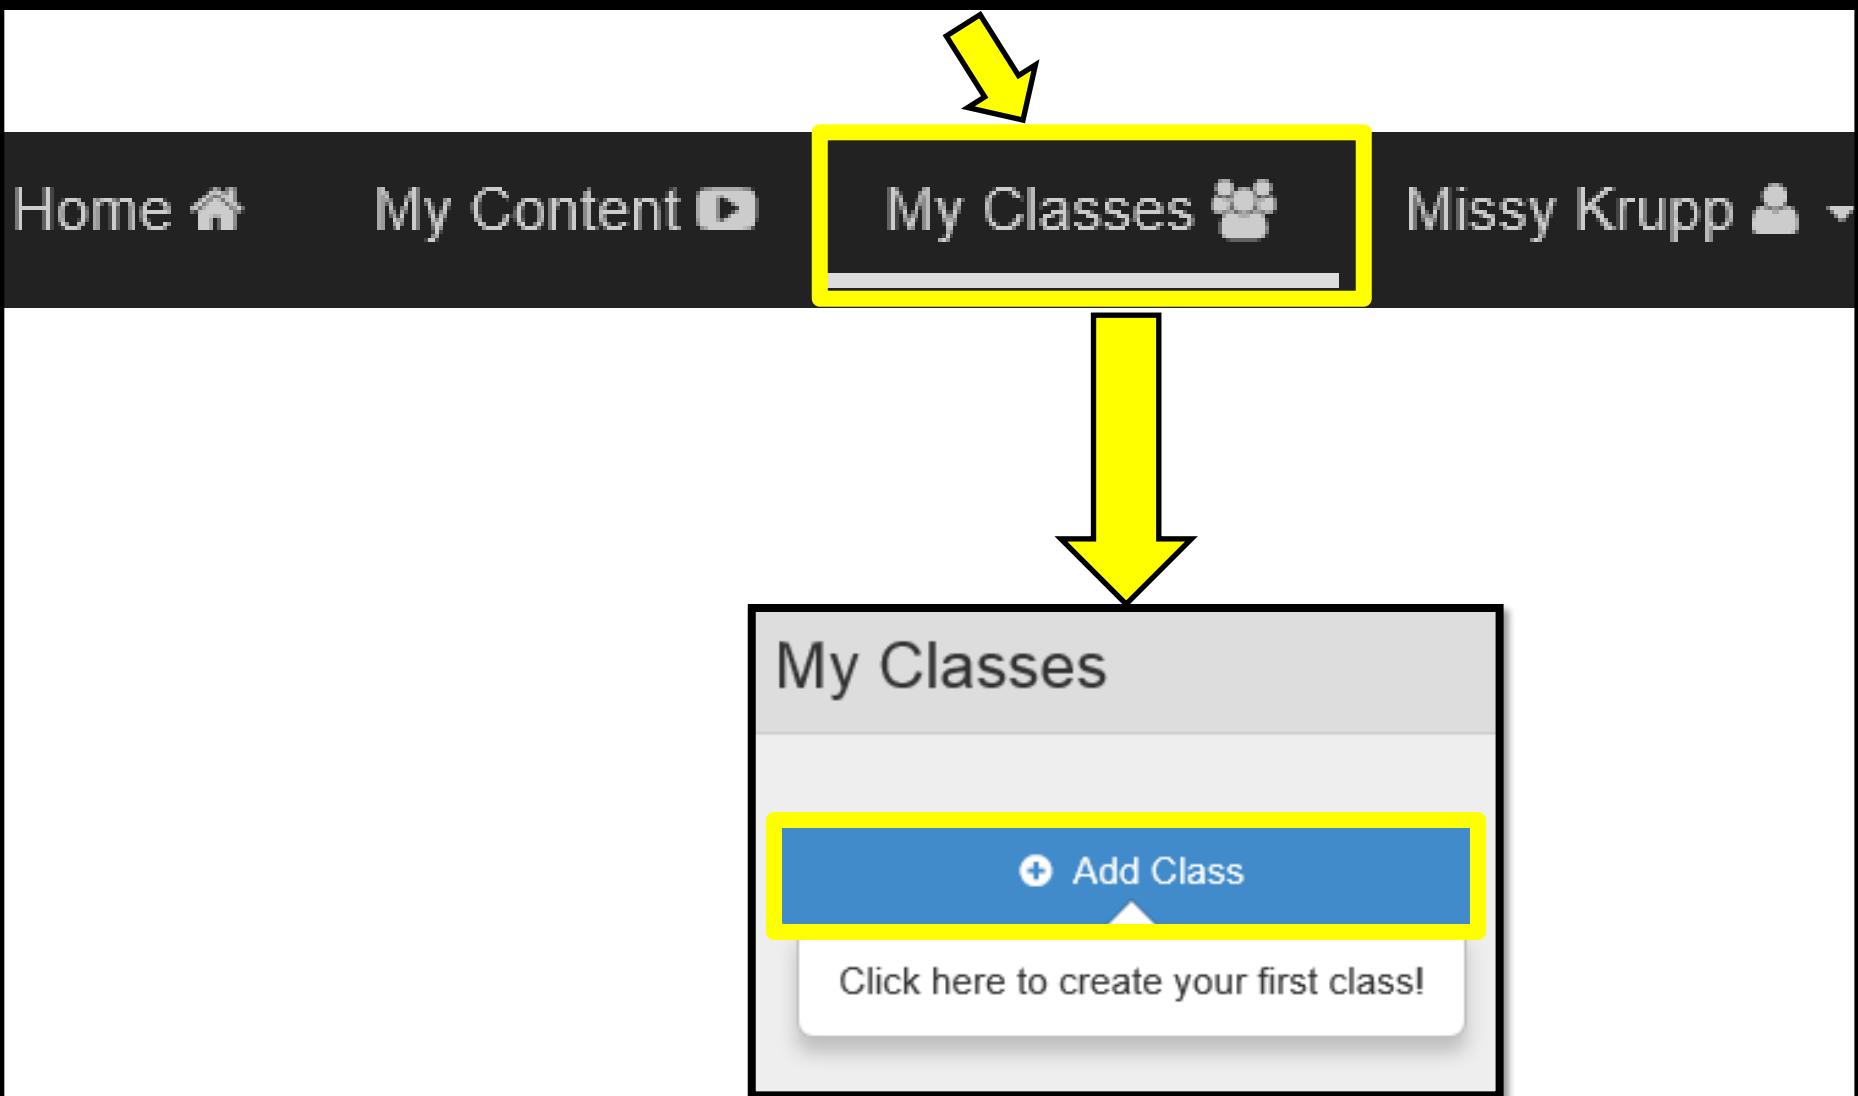

After saving it, you can assign the video to your class if desired.

Customize the assignment.

How To Add A Class

Click on “My Classes,” then “Add Class”

Complete the fields.

Class information	
Class name	
Subject	General education
Grade	Pre-school
	Save Class

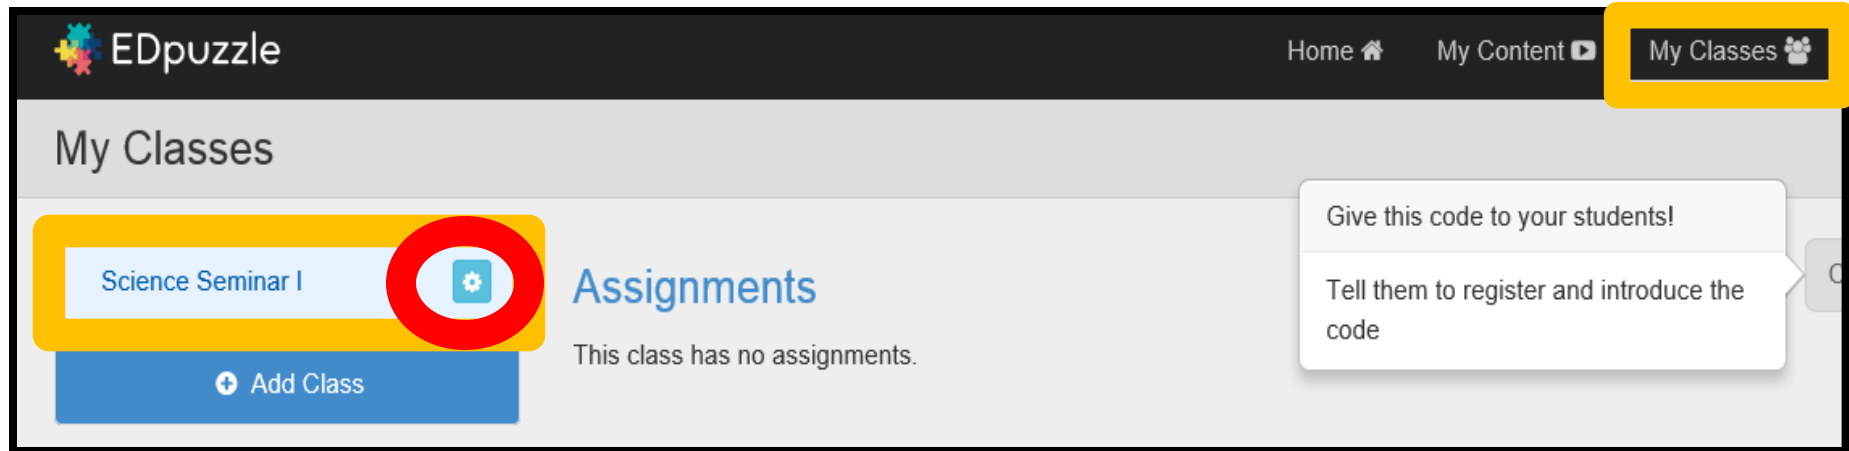

How To Locate Class Code

How To Locate Class Code

Step 1: Go to “My Classes”

Step 2: Click on the Icon Of The Class You Want

The screenshot shows the EDpuzzle interface. At the top, there is a dark navigation bar with the EDpuzzle logo on the left and links for Home, My Content, and My Classes on the right. The 'My Classes' link is highlighted with a yellow box. Below the navigation bar, the main section is titled 'My Classes'. On the left, there is a class card for 'Science Seminar I'. This card has a yellow border and a blue button at the bottom that says 'Add Class'. A red circle highlights a small blue square icon with a white gear symbol, located on the right side of the class card. To the right of the class card, the word 'Assignments' is displayed in blue, followed by the text 'This class has no assignments.' On the far right, a white tooltip box contains the text: 'Give this code to your students!' and 'Tell them to register and introduce the code'.

Useful Information

- ❖ **FREE software for teachers**
- ❖ **Unlimited # of students/videos**
- ❖ **Can embed in a LMS if desired.**
- ❖ **All browsers are supported, except IE 9 or older.
EDpuzzle works smoothly on tablets and mobiles,
but voice recording is still not possible on them.**
- ❖ **All videos are public. If you want them private,
contact the company personally. Any video created
by a student is private.**
